

## **How to make your own diet coke and mentos bomb like we did.**

### **You will need**

2ltr Bottle of Diet Coke

Mentos as many as you can get

A small balloon (100 for a pound in poundland)

### **Got The Stuff Lets Do It!**

1. Crush or cut up your mentos (half and half is a good idea) crushing can happen inside the balloon. We used 7 it's a random number
2. Place all your mentos into your balloon
3. Open your diet coke
4. Pull of the little white plastic bit around the lid.
5. Place it over the open end of your balloon
6. Put the balloon over the bottle nozzle.
7. Put the plastic bit over the balloon and the top of the bottle
8. Empty mentos into diet coke
9. run
10. watch
11. laugh
12. Eat a fresh watermelon (they are surprisingly refreshing in this hot weather)
